

# RCE's in Africa

Position presented by  
RCE Swaziland, RCE- KZN, RCE Lagos, RCE  
Kano, RCE Mozambique

# RCE activities in Africa

- Environmental protection
- Poverty eradication
- Quality education
- Innovation in ESD
- Mobilization of youth orientated initiatives
- Afforestation program
- E-learning

# Achievements of RCE's in Africa

- Enacting on environmental law and policy
- Reorienting school curriculum towards ESD
- Greater community involvement in sustainability practices
- Balancing production/consumption in agricultural activities
- Research in sustainability practices

# Challenges facing RCE's in Africa

- Networking of RCE's in Africa: wider collaboration amongst all RCE's in Africa
- Mobilisation of resources

# Way Forward

- Building more capacity across existing RCE's
- Mobilizing and acknowledging more RCE's in Africa
- Need for dynamic collaboration across all RCE's
